

Ming Fai, Your 5 Star Solution!

www.mingfaigroup.com

MING FAI GROUP

is an international enterprise dedicated to provide customers with exceptional services, as well as carrying a comprehensive lineup of internationally renowned brands.

Since founded in 1980, Ming Fai Group supplies quality products to internationally recognized hotel, airline, hospitality and personal care industries and was successfully listed on the main board of the Hong Kong Stock Exchange (HKSE: 3828) in November of 2007; becoming the first hotel amenities supplier to go public in the PRC region.

Our sales service network extends throughout the Asia Pacific region including our headquarter in Hong Kong and additional branches in Shenzhen, Beijing, Shanghai, Dalian, Wuhan, Chongqing, Xi'an, Singapore, Malaysia, Australia and India, as well as new sales offices in Guangzhou, Sanya, Xiamen, Changsha, Zhengzhou, Shenyang, Qingdao, and Chengdu with an extensive logistics network. Ming Fai Group will continue to put great efforts to maintain our current business relationships and always welcome new business opportunities while providing the utmost quality and service to our customers and strive to find more innovative ways to serve our customers better.

Our main production facility at Pinghu, Shenzhen; comprises of over 1.3 million Sq ft, produces majority of the products and established an advanced chemical and microbiological laboratory which is responsible for product formulation and testings to customize and ensure the qualities of our products. Our lab is well equipped with top tier equipment from Germany and Japan, such as infra-red spectrum, gas chromatography, high performance liquid chromatography and much more. We established another factory in 2006, located in Luoding, Guangdong province. It occupies approximately 12,401 sq m, specializing in producing hotel accessory products.

In anticipation of business growth, we established "Ming Fai Innovative & Development Skin Care Lab" in Hong Kong; the first company to attain ISO 22716:2007 certification in Hong Kong, dedicating to manufacture quality cosmetics products. Ming Fai continues to innovate, improve our manufacture capabilities and technologies, and is well equipped with centrifugal machine and purifying water system imported from Germany to enhance our development in skin care and bath and body care products.

5 STAR SOLUTIONS

Ming Fai has horizontally diversified the business and stepped our foothold in the retail business and developed a brand specializing in bath and body care products, named "everyBody Labo". "everyBody Labo" can now be found in middle and high-end shopping malls as well as shop-in-shops like Mannings, Harvey Nichols, V City, and TAYOHYA in Hong Kong, Shanghai, Chengdu, Dalian, Xi'an, Shijiazhuang, Kunming, Taizhou and other major cities. Furthermore, on September 2010, Ming Fai Group successfully acquired with "Mingfai7magic", one of the leading young and casual female cosmetic and accessories retailers with over 1000 retail shops across China.

Apart from body care products, Ming Fai Group has increased its lineup of products. In 2014, Ming Fai Group constructed a two four-storey centre of comprehensive hotel products to provide a total hotel product solution services to our customers. Ming Fai's product offerings extend through the entire hotel operation with catering utensils, kitchenware, furniture, room electrical appliance, room supplies, front desk items, property PA cleaning tools, washing equipment and much more hotel supplies as required by our customers.

Ming Fai places a huge emphasis on Corporate Social Responsibility to respond to increasing concerns and requirements set out by customers and end users. At Ming Fai, customers are given the option to add or incorporate additives (i.e EPI plastic additive) into their packaging, for aiding in the degradation and disposal of plastic products in the proper environment as well as the option to incorporate the newest sustainable materials (i.e Bio-PET) into their designs and packaging. Ming Fai is committed to providing environmental solutions and advice to customers and their projects.

Dedicated, experienced and trusted management team and staffs at Ming Fai will offer you with high quality products and the most efficient, professional and comprehensive service!
